### **SPH Consulting Group Recognized as one of the Top 10 Education Consulting Companies 2023**

**Vestavia Hills, AL**– 07<sup>th</sup> June 2023 – Education Technology Insights - “We take great pride in acknowledging SPH Consulting Group as one of the esteemed enterprises featured in the prestigious list of the Top 10 Education Consulting Companies 2023.

The annual list of companies is selected by a panel of experts and members of Education Technology Insights Magazine’s editorial board to recognize and promote leadership.

“We are glad to feature SPH Consulting Group as one of the Top 10 Education Consulting Companies 2023. SPH Consulting Group helps clients identify the right strategy and the right partners to consider and possibly negotiate and implement a merger, acquisition, or other major institutional initiative. Following this, it develops a program management system for clients that allows them to effectively execute any of these large, complex corporate changes.” said Tina Rosen, the Editor-in-Chief at Education Technology Insights.
